31 July 2017

Dear resident

Food waste reduction project with Fresh Pod

St Edmundsbury Borough Council has been awarded funding from Sainsbury's as part of their 'Waste Less, Save More' campaign.

As part of the project we have delivered 7,000 free Fresh Pods to residents in St Edmundsbury to help reduce the amount of fruit and vegetables that are thrown away.

Your household has been chosen to participate in a survey to help us monitor the success of the project. This letter is to confirm that we have appointed the community charity Groundwork to contact you directly during the week commencing 31 July 2017.

I would be grateful if you could spare a few minutes to answer the survey. You can find more information about the project on the council's website.

www.westsuffolk.gov.uk/foodwaste

The Groundwork representative has photo identification. If you have any concerns or would like to confirm the details in this letter with a council representative, please telephone customer services on the number above.

Yours faithfully

Mark Christie
Service Manager (Business)
